WHAT IS IT?

Stay informed and safe with **ALERTCentre**, Centre County's emergency alert notification system. In an emergency, we deliver critical information directly to you via text, email, phone, and social media. This system provides immediate notice for serious threats such as evacuation orders, shelter-in-place notices, and missing person alerts. We also issue high-priority notifications for active shooters, wanted fugitives, and emergency shelter activations. When you receive an alert from **ALERTCentre** (Centre County, PA), you'll know the situation is serious and requires your immediate attention. Sign up today—enrollment is the only way to receive these alerts!

HOW DOES IT WORK

LOCATION SPECIFIC

You'll receive notifications for alerts affecting the addresses saved in your profile. You will not be notified for alerts outside these specific areas.

LOCATIONS

You can add up to 10 Centre County addresses to your profile so you can protect what matters most. Home, work, school, or your favorite spot like the Beaver Stadium or Grange Fairgrounds! Live out of state but have family in Centre County? You can still enroll to keep tabs on their safety!

CELLULAR NETWORK

During enrollment, your cellular network is automatically verified (ex: Xfinity uses Verizon). Not sure? Go to www.carrierlookup.com to confirm your network.

KEY POINTS

ENROLLMENT

- Enroll two ways: QR Code or link below.
- Enrollment is free and completely voluntary.
- Create and manage your profile, cancel anytime within your profile.
- Manage your whole family under one easy profile!

DATA SECURITY

- Smart911 is the portal for **ALERTCentre** registration only.
- Data will not be shared with 3rd parties
- We adhere to highest security standards.

WHAT TO EXPECT

- To prevent alert fatigue, we will prioritize and send only the most urgent messages.
- Cancellation messages are sent when the threat is over.
- For weather alerts, we encourage the public to register with the National Weather Service for severe weather threats and warnings.
